All rituals are suitable for both men and women unless otherwise stated.

During your stay, please enjoy complimentary use of our sauna, steam bath, indoor pool, gym, and our secluded outdoor jacuzzi overlooking the olive trees.

02 SIGNATURE INDULGENCES

OLIVE ACTIVATOR

50 MINUTES

Stimulate your senses with this energising treatment based on fragrant olive oil harvested from our own estate. This invigorating experience begins with body brushing to speed up your lymphatic system and eliminate toxins. Next, warm Belmond La Residencia olive oil is drizzled and smoothed over the body. Skin emerges nourished and revitalised. You finish with a tasty olive and lemon sorbet to cleanse the palate and awaken the senses.

CITRUS SIESTA

50 MINUTES

Our unique signature treatment uses all-natural Mallorcan products that are combined to invigorate and then relax your body, mind and soul. We begin with an exfoliating olive oil scrub before blending almond, orange and lemon essential oils to give you a Zen massage. This gentle pressure acts on the euphoric system to release endorphins into your body, helping combat stress, relax joints, induce sleep and enhance wellbeing.

ISLAND DELIGHT

50 MINUTES

Our very own signature facial will take you through a sensorial journey of delightful scents while relaxing every part of your neck, face and scalp. A warmed blend of sweet almond oil and lavender is massaged into the skin to soothe, soften and nourish. A sweet jasmine organic mask rich in vitamins provides the nutrients the skin needs. Perfectly finishing off the facial is an aloe and orange lip balm, which gives that extra little touch of protection and hydration.

05 FACIAL THERAPIES

CAVIAR AND ALGAE

50 MINUTES

Benefit from the detoxifying powers of caviar from the Caspian Sea and the intensely hydrating properties of algae with this purifying facial. As steam allows the ingredients to penetrate deeper into the skin, your complexion feels instantly refreshed and smoothed. Skin texture is refined and moisture levels restored, while a pressure point massage boosts vital energy.

VITAMIN C AND COLLAGEN

50 MINUTES

Give your skin a radiant glow with this facial bursting with antioxidants that target signs of photoageing. The treatment features a powerhouse mask of Vitamin C, a potent antioxidant to combat the effects of environmental damage and collagen to promote skin cell renewal. Pigmentation is reduced and skin hydration levels greatly boosted.

PURE COLLAGEN AND OXYGEN WITH MICRODERMABRASION

80 MINUTES

Give your skin the ultimate rejuvenating boost with this exceptional facial. We use Diamond Touch micro-dermabrasion to reduce pigmentation and refine skin texture, followed by a cellular vacuum massage to plump the skin and drain toxins. Pure hyperbaric oxygen increases cell renewal and repairs environmental damage. Organic golden millet oil enhances the regenerating effects further. Using the Carol Joy signature Myo-Col lift technique, which combines the pure collagen mask and the myofascial lifting massage, we sculpt your face, neck and shoulder contours to provide an instant lift. To relax at the end of your treatment, choose either a soothing acupressure scalp massage, foot massage or hand and arm massage.

DIAMOND LIFE INFUSION

80 MINUTES

Let our Natura Bissé facial revitalise your complexion. This amazing treatment features diamond dust to enhance the penetration of active ingredients into the skin, as well as natural pearl and gold particles that create a pearlescent mask to provide maximum luminosity and astonishing firming and contouring results. A magnetic massage helps penetrate and accelerate the absorption of Natura Bissé's impressive Youth Elixir Biomarker Nectar, which provides a unique rejuvenating effect.

CARBOXI-EXPRESS

The end result? Outstanding rejuvenation.

50 MINUTES

Give your skin a rejuvenating boost with this treatment designed specifically for masculine complexions. We use an exclusive combination of products adapted to the needs of your skin type to reduce under-eye circles and give skin renewed vitality.
