### Shared Dolphin Cruise

Can there be a more wondrous experience during your tropical holiday than watching dozens of playful dolphins in the light of the setting sun? Dolphins are regular visitors in the waters near Soneva Fushi, and sightings are almost guaranteed. While you cruise in the deeper waters on a *dhoni*, (the traditional Maldivian boat) you will be served a selection of canapés and flute of Champagne. This popular two-hour excursion is one of the best opportunities to take home some wonderful, almost spiritual memories of the Maldives.

### Cooking Classes

The basic preparations are taken care of by our chef's team, so all you have to do is cook. Our chefs will personally host the classes and guide you through all the ingredients and preparations. Learn useful tips, tricks and recipes to take back home. All dietary requirements can be catered for.

### Turtle Beach Champa

A gorgeous, glass-walled sala with jungle and ocean views, this venue plays host to relaxing yoga classes and is a wonderful backdrop for weddings and blessing ceremonies.

### Cinema Paradiso

The first open-air cinema in the Maldives, Cinema Paradiso has the widest screen in the Indian Ocean, measuring 13.8 metres wide. Movie lovers can enjoy a classic under the stars as they indulge in gourmet popcorn, cocktails or ice cream.

### So Glassycle

The first glass studio in the Maldives, featuring a retail boutique and art gallery, where guests can watch world-renowned glass artists create pieces of art and learn the art of glass blowing.

### Private Observatory Session

Gazing at the stars from out here in the middle of the ocean, far from the lights of civilization, we were amazed at how much could be seen with just the naked eye - and so we were inspired to take it to the next level.

Peer through the lens of our state-of-the-art telescope and gaze upon the Plough of Saturn and its serene, translucent curves. Count the moons of Jupiter. Take advantage of our remote island locale, and see celestial bodies invisible from Europe and much of the world.
