# CORAL REGENERATION EXPERIENCE

## CORAL REGENERATION EXPERIENCE CERAMICS WORKSHOP

Get hands on in our Coral Regeneration Experience as we create marine life-inspired clay ceramics with our Marine Biologists. We will use your creations as bases to attach coral fragments, that will later be planted in the ocean, where these coral fragments will then grow, forming new coral reef patches!

### **MONDAY**

10.30 am to 11.30 am

Ages 6 and up

Meeting Point: Beach Shack

Complimentary

## CORAL REGENERATION EXPERIENCE CORAL CERAMICS SNORKEL

As part of this Fari Islands project, join Marine Biologists from The Ritz-Carlton Maldives, Fari Islands and Patina Maldives, as they plant the coral fragments that have been attached to the ceramics our guests have created. Join us on a boat ride out to one of our coral nurseries within the archipelago; learn all about the importance of corals and the eco-friendly restoration techniques we use to grow new areas of coral reef surrounding the resort.

### **TUESDAY**

4.00 pm to 5.30 pm

Ages 6 and up

Meeting Point: Dive Centre

Complimentary

# LAND ACTIVITIES

## OCEAN DRONE X\*

Join Jean-Michel Cousteau's Marine Biologists as they explore the outer reef of the Atoll, using a flying drone. Discover the life that surrounds the Resort, watch the footage in real time, learn about marine debris, ocean plastics, ghost nets and the team's ongoing research using proper marine conservation technology.

*Note: The drone is flown exclusively by the Jean-Michel Cousteau's Ambassadors of the Environment team.*

### **THURSDAY & SATURDAY**

8 am to 9.30 am

Up to 4 guests

Ages 14 and up

Meeting Point: Dive Centre

USD 45 per guest

## SUB AQUA X\*

Want to explore the reef without getting wet? Join us for an evening on land with our Naturalists and our sub-sea rover! Join them in piloting an underwater drone - used to search for wildlife at sunset and after dark - for an exciting new perspective of the surrounding reef!

At the guests' request, this activity can also take place privately from the deck of their overwater villa.

### **WEDNESDAY**

6.30 pm to 7.30 pm

Up to 5 guests

Ideal for all ages

Meeting Point: Lagoon Quay Entrance

USD 45 per guest

*\* All of the activities in the Jean-Michel Cousteau's Ambassadors of the Environment program can be reserved as private activities. Please contact your Aris Meeha for more information.*

# LAND ACTIVITIES

## MARINE BIOLOGY | CHILDREN & ADULTS

Join our Jean-Michel Cousteau Naturalists for a scientific journey through the underwater world. Our Naturalists are Marine Biologists that will introduce you to the diversity of wildlife found around the Resort and the Maldives, the beauty and complexity of marine ecosystems and how closely connected we are to life beneath the waves.

### **INTRO TO MARINE BIOLOGY | Ages 4 to 12 years**

MONDAY | 2 pm to 3 pm

Meeting Point: Ritz Kids

Complimentary

### **MARINE BIOLOGY PRESENTATION | Ages 12 and up**

WEDNESDAY | 5 pm to 6 pm

Meeting Point: Dive Centre

Complimentary

## AMBASSADORS IN OUR GREEN KITCHEN\*

Put your chef hats on while we embark on a journey from garden to table. We will learn where our food comes from, explore the idea of “food miles” and the carbon footprint of the food we eat. Our culinary adventure continues in Ritz Kids garden where we will spin our fruits into our own homemade smoothies using a special human-powered blender. But the best is yet to come: We will fry our pancakes on our innovative sun oven. That’s right: we are preparing solar- and human-powered food!

### **SATURDAY**

2 pm to 3 pm

Ages 4 to 12

Meeting Point: Ritz Kids

USD 65 per guest

*\* All of the activities in the Jean-Michel Cousteau’s Ambassadors of the Environment program can be reserved as private activities. Please contact your Aris Meeha for more information.*

## PICTURES IN THE SKY\*

Join our Naturalists for an adventure in astronomy, taking you through the fascinating history of stargazing across numerous cultures. This is followed by a voyage into the cosmos using our high-powered telescope, and the legends that surround the multitude of constellations, satellites, planets and stars we can see here in the Maldives!

### **TUESDAY**

7.30 pm to 8.30 pm

Ideal for all ages

Meeting Point: Dive Centre

USD 45 per guest

*\* All of the activities in the Jean-Michel Cousteau's Ambassadors of the Environment program can be reserved as private activities. Please contact your Aris Meeha for more information.*

## ECO HEROES\*

Planet earth needs our help. We will explore living in harmony with nature and learn practical ways to be truly sustainable global citizens. Our Jean-Michel Cousteau Naturalists guide you through thought-focused activities that will challenge the whole family to “think outside of the box”. Eco Heroes will demonstrate the value of water and energy conservation, delve into renewable energy, and the surprising life cycle of materials. Experience a unique Citizen Science programme and learn how our resident science team is monitoring ocean plastics pollution with drone technology, at The Ritz-Carlton Maldives, Fari Islands.

### **MONDAY & THURSDAY**

MONDAY | 4 pm to 5 pm & THURSDAY | 10 am to 11 am

Ages 4 to 12

Meeting Point: Ritz Kids

USD 45 per guest

## WONDERS OF WATER\*

Water: it’s all around us, inside of us, and life cannot exist without it! This hands-on activity includes a wide variety of science experiments and games to investigate the incredible properties of water that make it so special. We will see why water is fun, strange, and essential. Then we will “dive in” to explore the amazing molecule of water, the water cycle, how humans are harming our water systems, and what we can do to protect this precious resource. We cannot guarantee that you’ll stay dry, but we can guarantee a splashing good time!

### **WEDNESDAY**

2 pm to 3 pm

Ages 4 to 12

Meeting Point: Ritz Kids

USD 45 per guest

*\* All of the activities in the Jean-Michel Cousteau’s Ambassadors of the Environment program can be reserved as private activities. Please contact your Aris Meeha for more information.*

## CITIES UNDER THE SEA SNORKEL\*

Snorkel trip, hosted by the Jean-Michel Cousteau's Naturalists & guided by Dive Butler International. The coral reef has many residents all doing important work, just like a city on land. Discover a solar-powered city full of doctors, managers, waste collectors & partnerships while learning from nature's amazing ability to capture solar energy, recycle all the waste & house a diverse array of species that work together to form a sustainable community.

### WEDNESDAY & SUNDAY

9 am to 12 pm

Ages 6 and up

Meeting Point: Dive Centre

USD 190 per guest

## NIGHT SNORKEL\*

Join our Naturalists on an adventure into the ocean at night. Begin with an introduction to the most common nocturnal animals with an interactive presentation.

Then, using waterproof flashlights, we immerse ourselves in the reef after dark when a whole new cast of creatures emerge. If you have explored with us during the day, you have only seen half of the coral city's inhabitants. Take a journey on land and in the water with our Naturalists and Dive Butler as a guide!

### MONDAY & SATURDAY

6.30 pm to 8.30 pm

Ages 6 and up

Meeting Point: Dive Centre

USD 150 per guest

*\* All of the activities in the Jean-Michel Cousteau's Ambassadors of the Environment program can be reserved as private activities. Please contact your Aris Meeha for more information.*

# UNDERWATER

## MARINE BIOLOGIST SCUBA DIVE\*

Ever wonder why some things in the ocean appear to be from science fiction? There is a fascinating story behind those adaptations that our Naturalists are excited to share with you! Discover the reason of the very sophisticated design behind what we consider weird body shapes and colour patterns. Guests will also explore how coral reefs and their inhabitants are adapted to their environment and ecologically connected to each other – and to us!

Take a journey on land and in the water with our Naturalists and Dive Butler as a guide!

*Certified Divers only.*

### **THURSDAY & SUNDAY**

2 pm to 4.30 pm

Ages 10 and up (certified divers)

Meeting Point: Dive Centre

USD 240 per guest
